*Participate in the Skills Challenge at one of the NCGC Local Qualifiers and you could win a chance to compete at the National Championship hosted by CGA.*

## WHAT IS THE NCGC SKILLS CHALLENGE?

Not all of us have a complete game like Tiger. Some of us are great at putting, or chipping and some of us can really bomb the driver. The NCGC Skills Challenge rewards golfers at their campus expo for their skills in different areas of the game.

## THE COMPETITION

- Putting-** Participants will attempt to make as many consecutive putts from 10ft
- Chipping-** The person that makes the most chips into a chipping net out of 5 attempts wins.
- Long Drive-** Using the AlmostGolf Ball, participants will compete in a long drive contest. The player with the longest drive wins.
- Trouble Shot-** Using the AlmostGolf Ball, participants shot to a pin with a obstacle in their way. Creativity is key to getting the ball close to the pin.
- Bunker Shot** Three shots from the beach, closest to the pin wins.
- Red Bull Final 5-** rewards the golfer with the best score over the final 5 holes.
